

## QUALITY POLICY STATEMENT

G W Belton Ltd is committed to comply with the requirements of ISO 9001:2000 and to continually improve the effectiveness of the quality management system.

The company will seek to continually improve the quality of its products and services through the Documented Quality System. The company will ensure, through training, staff development and continual investment that our clients requirements are satisfied or exceeded.

The management of G W Belton Ltd is fully committed to the Documented Quality Management system. It must be clearly understood that this Quality Policy, the Quality Policy Manual and associated Operating Procedures and systems are mandatory on all staff.

The Quality Objective of G W Belton Ltd is to continually improve our quality processes and products in order that:

- clients are attracted, satisfied and retained;
- production costs are minimised and reflected in our prices;
- the company remains profitable and competitive.

G W Belton Ltd has introduced systems that will set and review measurable quality objectives. The management will provide any resources and training required and with all our staff will try our best to meet and surpass these objectives.

*Clients are the reason for our business.....not an encumbrance to it !*
